

What Is The Family Fund?

The Family Fund at USC Upstate is the annual giving campaign that offers faculty, staff and retirees the opportunity to make personal gifts to the University. By making a gift to the Family Fund, members of the University community will have a direct impact on our campus, students, and the state. These gifts strengthen our future by funding scholarships, making capital improvements and supporting the mission of the University: teaching, research and service.

Please remember that every contribution, no matter what size, adds value and strength to the USC Upstate campus and enables us to better serve our students and the Upstate!

Please feel free to contact the Advancement Office to answer any questions or for more information regarding the Family Fund by calling 503-5209. We are located in the Administration Building, Room 321.

The Family Fund Begins Now!

The Family Fund Campaign will kick off the week of August 14 and continue until the first week of May. An early bird drawing will be held on Friday, September 15 for a weekend get-a-way. Additional drawings will be held throughout the year for other participants. Watch The Register for dates and information. All gift amounts are welcome, but a minimum of a \$25 gift or pledge must be made to be eligible for the drawings.

A celebration luncheon will be held in early May for the team (s) that reaches the highest percentage of participation. Last year's Family Fund set an all time institutional record of amount of money and participation. Our goal this year is \$75,000 and 70% participation campus wide. Let's keep the momentum going- show your Upstate Spirit!

“I enjoy giving to the USC Upstate Family Fund for a number of reasons. “I like knowing that my gift will in some way help provide educational opportunities for citizens of the Upstate and a college campus is a special place to me. I would not trade the years that I've been on college campuses for anything in the world, and I like knowing that my gifts help others have that experience.”
