## Work-Based Learning at Repair 1

While there are four ACHIEVE participants currently performing work experiences, the newest one is with one of our Cherokee County youth who attends the ACHIEVE site: Camron Brown. Camron expressed an interest in construction as a career. Camron is working on his GED in the mornings and does his work experience in the afternoons and on Fridays.

Camron works with Repair 1, a construction entrepreneurship based in the BGEN site at 301 N Limestone St in Gaffney (<http://www.know2bgen.com/>). Repair 1 is a locally owned and operated home improvement & home repair service with over 25 years of home improvement and home repair experience (<https://repair1now.business.site/>).

While Camron enjoys his career interest, he is learning about entrepreneurship.
