For October, we have two students in Cherokee County that started two new work experiences. Both students completed their job shadowing experiences in the last week of October and will fully begin working in November.

Korey Truesdale expressed interest in working in veterinary medicine. Our Career Readiness Specialist, Lisa Hannon, was able to secure Korey an opportunity with Dr. Wilkins of Piedmont Animal Hospital. While with Dr. Wilkins, Korey will get firsthand to experience and learn what it takes to work in a veterinarian's office.

Austin Brown, also in Cherokee County, will have the opportunity to work in the Cherokee County School District in their Information Technology Department. Austin will get to work hands on and get to learn about information technology from the perspective of an IT technician.
