Credit for subjects in which students are knowledgeable, but have no college credit, can be gained through successful completion of the PEP tests. USC Upstate students may earn up to 30 semester hours via PEP. Those attempting PEP must rank in the 70th percentile of the scored population taking the examinations. Students wishing to take a PEP test should notify their faculty advisor of their intention to take the test.

The specific ACT/PEP exams are currently under review. Students may contact the Records Office or their dean for a current list of acceptable tests.

Credit earned in DANTES may be applied to any program where the course normally would be accepted as earned credit. DANTES credit is not granted for courses that have been failed previously, nor does DANTES credit raise a grade earned previously in any course. Repeat examinations are not allowed. Students wishing to take DANTES tests should contact counseling services for the necessary applications and notify their faculty advisor of their intention to take the test.

Institutional Credit by Examination

Students enrolled in the University may obtain credit by examination for courses in which they have had no class attendance or semester standing. However, permission must be obtained from the dean of the college or school involved. A grade of not less than B on the examination is necessary to receive credit for the course. Examinations are not permitted in courses in which students previously have enrolled either regularly or as an auditor. Before the examination, applicants must pay the Cashier's Office a fee of $25 per semester hour. This fee is non-refundable. The Cashier's Office issues a receipt which must be shown to the dean of the college or school conducting the examination. The dean immediately reports the results of the examination to the Records Office. Credits earned under this regulation are recorded only as hours earned.

Military Service School Credit

Following enrollment, a student may obtain credit for experiences in the armed services. In order to receive credit the student must have an American Counsel in Education Registry Transcript. Students who feel they qualify should contact the Records Office, Veteran's Affairs Coordinator.

Following a review by the Records Office using A Guide to the Evaluation of Educational Experiences in the Armed Services, a recommendation for credit is made to the dean of the student's major area. The final decision as to the credit awarded is made by the dean of the school in which the student is enrolled.
