Welcome to USC Upstate!

The USC Upstate Library and the Student Success Center want to help you make the most of your Upstate experience. Because you will be expected to display competence in the research process, we have created the Foundation in Information Literacy (FIL), an online inventory of research and information literacy skills that will give you immediate feedback on how to prepare yourself for coursework at Upstate. To access FIL:

- Log in to VIP and find Blackboard.
- Log in and choose USC Upstate Foundation in Information Literacy under the Courses tab.
- Once in the course, click on the FIL button.
- You may take FIL anytime until 5:00 p.m. on January 21, 2011.

Questions? Contact Andrew Kearns at 864-503-5403 or akearns@uscupstate.edu.
