Nothing inspires quite like a good story. A story
with spirit and purpose. One that challenges
you to think and look at things from a different
perspective. One that shatters boundaries,
bridges nations, and proves that with
knowledge and passion, anything is possible.

A story with heart.

At the University of South Carolina Upstate,
that’s our story… and it’s been inspired by
students who aren’t afraid to dream big.
Students ready to tell their story to the world.
Students like you.

At the heart of your USC Upstate story will
be a level of quality that is tough to match.
After all, this is a university that has been
ranked among the top five “Comprehensive
Colleges in the South” by U.S. News & World
Report for 10 years in a row.

We believe everyone should have the opportunity to write their own
USC Upstate story. Which is one reason why more than half of the
approximately 800 freshmen who enrolled at Upstate last year were
awarded academic scholarships, while approximately three-quarters
of all our students receive some form of financial aid.
