

USC Upstate
Exercise and Sport Science

On-site Supervisor Agreement

Upon reading the site supervisor letter in regards to USC Upstate's Field Experience in Exercise Science requirements, desired experiences and learning outcomes for the student: The undersigned agree to serve as a representative of the field experience site and a site supervisor to the student and to fulfill the responsibilities, desired experiences and learning outcomes as described in the site supervisor letter. In addition, the undersigned agree that they are in compliance with the student field experience employment stipulation, which states that all students are to be unpaid and that they are not current employees of the field experience site department.
