

USC Upstate
Exercise and Sport Science

Site Supervisor Agreement

Upon reading the site supervisor letter in regards to USC Upstate's Internship in Exercise Science requirements, desired experiences and learning outcomes for the student intern: The undersigned agree to serve as a representative of the internship site and a site supervisor to the interning student and to fulfill the responsibilities, desired experiences and learning outcomes as described in the site supervisor letter. In addition, the undersigned agree that they are in compliance with the student intern employment stipulation, which states that all student interns are to be unpaid and that they are not current employees of the interning site department.
