Payment of tuition, fees and other University charges must be on deposit in a United States bank at the beginning of each semester. Students should be familiar with their country's regulations regarding sending money to the United States. It is the student's responsibility to insure that funds are available at the required time in United States currency.

The University of South Carolina Upstate provides affordable on-campus housing for USC Upstate students; the budget reflects the cost of living in Palmetto Villas. Other living arrangements may be made; however, the cost associated with them may be greater. Early application for housing is strongly recommended.

**NOTE**—Tuition and fees are subject to increases as determined by the University of South Carolina Upstate.
