"When I first decided to transfer, I was a little worried. I didn’t know what the whole process was going to be like, but I was also excited to be able to explore new opportunities and see what else was out there. In the end, I was glad that I chose to come to USC Upstate."

Benjamin Bernstein

"When I first decided to transfer, I was a little concerned. I didn’t know if the process was going to be difficult or if I’d be able to find a good fit. But overall, I was happy with the experience. I’ve found a great community and made some amazing friends here."

Grace Vaughan

"Up" is more than a word to us. It’s an attitude. It’s where we live—our hearts and minds, as well as here in South Carolina’s vibrant Upstate region. Each year we welcome transfer students from across the country who, like you, want a college experience that will unlock the kind of academic, internships, and professional opportunities that will truly distinguish them in the eyes of top employers and graduate schools around the world.

When I decided to transferring to USC Upstate was a difficult process. But it was also one of the best decisions I’ve ever made.

Grace Vaughan

A making virtual worlds happen. Moving among the most prestigious educational institutions in the South by one of the best undergraduate regional universities in the nation by U.S. News & World Report.

Research programs are accredited by AACSB, the world’s premier accreditation association, and awarded to just 1 percent of programs worldwide. Our programs are also renowned for their high-quality student learning experiences, and awarded the most modern, technologically advanced facilities.

A nursing school provides the highest level of excellence in nursing education—recognized by the Council for the Accreditation of Educator Preparation (CAEP), the highest level of accreditation for educators programs in the U.S. Our program is among the most prestigious, widely regarded, and located adjacent to campus.

About 40 percent of our graduates earn their degree at USC Upstate.

A A nursing school offers more than just a high-quality education. Our students are finding an academic program in their field that’s proven, connected, and highly respected by employers and graduate schools.

At USC Upstate, that’s exactly what you’ll find.

We know that the top priority for most transfer students is finding an academic program in their field’s that’s proven, connected, and highly respected by employers and graduate schools.

At USC Upstate, that’s exactly what you’ll find.

Our experienced and supportive transfer admissions staff will do everything they can to make your transition to USC Upstate a smooth and seamless one.

Our research programs are accredited by AACSB, the world’s premier accreditation association, and awarded to just 1 percent of programs worldwide. Our programs are also renowned for their high-quality student learning experiences, and awarded the most modern, technologically advanced facilities.
