“Working closely with athletic training team at Byrnes High was my favorite part of my internship. The players were the best I have ever worked with and I assisted with their different rehabs. The Byrnes trainers treated me as part of the team and were more than willing to answer my questions.”

Go for a leisurely walk on the Cottonwood Trail, take a bike ride on the Mary Black Rail Trail, run the trails of Milliken Arboretum, or enjoy all three activities at Croft State Park. The region’s mild climate means you can get out year-round!

Grab a bite
Explore dozens of locally owned restaurants, breweries, cafes, and more in downtown Spartanburg. Whether you want someplace casual or somewhere to celebrate a special occasion, there’s plenty for you to try!
It’s utter madness and we like it

Imagine if you dropped a half-court basketball floor in the heart of a beautiful downtown, mixed in all your college friends and injected a fun festival-type atmosphere. Kind of a crazy idea, but we love it, and we think you will too. Morgan Square Madness looks to be a tradition that we look forward to every fall.
