

USC Upstate Spartan Recreation Center Cell Phone Use Policy

Photography is permitted in the Spartan Rec Center facilities for personal, non-commercial and lawful use provided **permission has been granted by the individual(s) being photographed.** The taking, capturing or recording of any and all photography, audio, or video of any kind in the pool, men's and women's locker rooms, and restrooms is strictly prohibited. Those who seek to photograph, film, or interview individuals at the Spartan Rec Center for commercial use, media use, or class projects, must receive prior written approval from Campus Recreation administration prior to accessing the Spartan Rec Center. Please ask for the Campus Recreation Photo & Film Request form.

Due to privacy issues and video concerns, members are asked not to use cell phones in the locker rooms or bathrooms. Misuse of cell phones in any other areas of the facility, especially for video use, will result in the violator's removal from the facility and revocation of privileges.

We encourage participants to take selfies in the Group Fitness studio or weight room and post them to our social media:
