

IMMUNIZATION REQUIREMENTS

USC Upstate requires the immunizations listed below to take classes on campus. You may schedule an appointment with your doctor’s office to complete this form, and get any shots you need. Or, you may complete this form on your own following the steps below and attach a copy of official vaccine records.

- 1) Obtain a copy of your immunization records (through DHEC, your family doctor, or your high school).
- 2) Complete form below, following guidelines in left column.
- 3) Obtain needed vaccines through Health Services, DHEC, your doctor’s office, or a pharmacy.
- 4) Return completed form AND a copy of your immunization records to Upstate Health Services via online submission at **www.uscupstate.edu/myhealth**. All vaccine requirements MUST be complete prior to submitting records. Incomplete submissions will not be accepted.

Frequently Asked Questions

1) I do not have health insurance, where can I get my immunizations?

- If you are 18 years old or younger, you may qualify for a federal program called VFC (Vaccines for Children.) If you qualify for VFC, each immunization may be as little as \$10.
- Please walk in to Health Services from 1:00 pm – 4:00 pm during orientation or make an appointment by calling (864)503-5191 to see if you qualify.
- If you do not qualify for VFC, cash pricing for required vaccines noted below.

MMR vaccine: \$90	Tdap: \$50
MMR titers (bloodwork to show immunity): \$50	MCV4: (Meningitis Vaccine) \$130

Age	Health Insurance Coverage	Cost and Resources
N/A	Yes	Most insurance companies cover immunizations. A pharmacy or doctor's office can bill your insurance. Health Services does not bill insurance for services or bill students for office visits, only procedures.
18 and under	Uninsured or Medicaid	May qualify for VFC call Health Services or DHEC for an appointment.
19 and over	No	Cash pricing available at Health Services.

2) I have health insurance - can I use it to get my immunizations?

Yes. Most insurance companies cover immunizations, but we would encourage you to call them to verify. If they do, you can go to any pharmacy to have that administered and they can bill your insurance directly. They will give you documentation that needs to be provided to Health Services.
