

Wellness Center Locker Rooms

Locker Room Policies:

- Overnight storage is not permitted in the locker rooms without locker rental. Personal locks will be cut off and personal items removed. Items will be stored in the facility for the semester before being turned over to Campus Police.
- For everyone's safety, glass containers are not permitted in the locker rooms.
- **WARNING** - Wet surfaces in the locker room may be slippery. Please watch your step.
- Please report suspicious individuals wandering through the locker room to the Control Desk attendant or any Wellness Center employees.
- Beverages are allowed if they are in a re-sealable container.
- The Campus Recreation Department is not responsible for lost, stolen, or damaged personal property.
- **Please use discretion when bringing children of the opposite sex into the locker room with you. Please use the family locker room.** For example, bringing older boys (4 years of age and older) into the women's locker room is prohibited because it may offend some participants. The staff will be glad to assist you by taking your child into the appropriate locker room. Please respect the rights and privacy of others. If you feel an older child is in the wrong locker room, please report it immediately to the supervisor on duty.
