

CETL BOOK CLUB

SPRING 2019

An Evidence-based Guide to College and University Teaching: Developing the Model Teacher.

By Aaron S. Richmond, Guy A Boysen, and
Regan A. R. Gurung.

The Center for Excellence in Teaching and Learning Book Club is an informal, supportive way for you to connect with other Upstate faculty and staff to discuss evidence-based theory and practical suggestions for teaching and learning.

The Book Club will meet **Wednesdays from 12:30 – 1:30 pm and from 1:30 – 2:30 pm** in the **CETL Conference Room, Media 234**. We will **cover the same chapter each session on Wednesday**. To get the most out of this experience, please try to attend meetings to gain insights on teaching and learning strategies from the book and from your colleagues.
