## Fall 2018

### “An Evidence-based Guide to College and University Teaching. Developing the Model Teacher.”

By Aaron S. Richmond, Guy A Boysen, and  
Regan A. R. Gurung.

The **Center for Excellence in Teaching and Learning Book Club** is an informal, supportive way for you to connect with other Upstate faculty and staff to discuss evidence-based theory and practical suggestions for teaching and learning.

The Book Club will meet **Wednesdays from 12:30 – 1:30 pm** and **Thursdays from 1:45 – 2:45 pm** in the **CETL Conference Room, Media 234**. We will cover the same chapter each week on **Wednesday and Thursday**. To get the most out of this experience, please try to attend meetings to gain insights on teaching and learning strategies from the book and from your colleagues.
