FIT WITH DEFINITION

5. How will community engagement support/supplement/reinforce course content?
6. Identify (potential) Community Partners
(If you need assistance identifying community partners, note that here and we'll see how we can be of assistance!)
7. Describe the role your community partner(s) will play in this course. In what way(s) will this partnership be reciprocal?

SLO ALIGNMENT

First, review the information on SL/CE SLOs at <https://www.uscupstate.edu/faculty-staff/faculty-tool-kit/service-learning-resources/service-slos/> and the information on SLO ASSESSMENT at <https://www.uscupstate.edu/faculty-staff/faculty-tool-kit/service-learning-resources/service-slos/slos--prompts-side-by-side/>

Then, select 1 of the 8 NACE career readiness competencies that you will overly address in your course and your preferred assessment style for each SLO.

8. SLO 1: Essential Competency
 - Critical Thinking/Problem Solving
 - Teamwork/Collaboration
 - Professionalism/Work Ethic
 - Oral/Written Communications
9. Which assessment technique will you use to evaluate student outcomes on SLO 1?
 - Resume Entry
 - Student Self-Assessment
 - Reflection of Instructor's Choice

EXPECTATIONS

In this final step, please confirm that your course will meet these Service expectations:

- 4+ hours of active engagement per student with/for an identified community partner
- Guided reflection connecting service experience and course content
- Support student, partner, & faculty surveys
- Assign & submit SLO assessments

10. Does this class meet the expectations listed above?

- Yes
- Not exactly, but I'd like to chat with someone about why this course should be designated CE anyway
